

Finally Complete

By SP Wright

To the one, whom I cherish
above all others.
You are the one,
to whom, I have chosen,
to give everything.

You are my insight,
my inspiration,
my muse, and my guide!

The one,
Who I have been searching for,
The one thing,
I was missing,
and never realized, I needed.

The answer, to the question
I have always feared to ask.
I realization, of a wish,
I never knew I had made.

My dearest friend,
My most intimate lover,
My partner in this life,
and my eternity in the next!

Now, and forever more,
I have found my existence,
and my future.

In my heart,
you will always remain!
