

# LOST IN OBLIVION

By SP Wright

I've lost it, Haven't I?

Whatever it was  
that made me attractive,  
and worthwhile  
is now gone.

All that remains  
is this worthless shell,  
that no one wants!

.

I was in heaven,  
but the floors  
Were ripped from beneath me.

I plummeted  
into this godforsaken limbo,  
Filled with endless possibilities  
that all lead to oblivion.

This Void is now complete.  
This Darkness will never End!
